

# June at Sonoma

## Last Month

May's beautiful weather brought a great crowd to Sonoma, from inside and outside of DC. We had the opportunity to treat Mom's on Mother's Day and to introduce some of you to Mollie Visosky from The Fresh Link while you got to enjoy Chef Nick's delicious Farm Dinner. Zoofari was the highlight of the Foodie calendar and we were honored to attend. If you couldn't make it this year - be sure to purchase your tickets for next year.

## Father's Day

*"Dad's Burger!"*

We made such a fuss over Mom's in May that we thought it only fair to do the same for Dad's too. So Sunday June 20th, we are offering you a special \$12 "Dad Burger" to show our appreciation for all you Fathers. The Dad Burger will include our local dry aged beef burger, slathered with blue cheese and topped with grilled onions, bacon and mushrooms.

## Happy Hour in the Avenue Lounge

*Happy Hour is back - and it includes Saturdays!*

We are excited to bring our Happy Hour back this summer starting July 2nd from Tuesday's through Saturday's, 5-8pm (except when the lounge has been booked for private events)! We will be offering cocktail, beer and wine specials in our lounge all served by your favorite Hill bartenders. So for a relaxing spot with great food, inexpensive drinks and a chilled out ambiance, make sure to stop by. Can't wait to see you there!

## I AM LOVE

*Sonoma is partnering with Magnolia Pictures latest release!*

Starring Tilda Swanson and directed by Luca Guadagnino, this breathtaking film was a decade in the making and portrays a wealthy, bored wife torn between love and duty when a handsome chef seduces her with his passion for food.

I AM LOVE will be opening at Landmark E Street Cinema and Landmark Bethesda on June 25th. Bring your ticket stub from seeing the film to Sonoma and receive a 10% discount on your bill.

**Theater Listings**

## Spring Menu

***Strawberries! Broccoli! Peas! Chanterelle! Tomatoes! Squash! Zucchini! Are all Back in Season!!!***

Chef Nick has spent the last few months creating the perfect Spring Dishes, so be sure to stop by and try out his new creations and pair them with our new upcoming range of light Summer wines.

## Toast of the Town

***DC's Premier Wine and Food Tasting Event!***

Join Executive Chef Nick Sharpe on Friday June 11th at the National Building Museum for an evening of delicious food and a huge variety of wines from around the globe. With a number of DC's finest restaurants and literally hundreds of vineyards, this is definitely not an event to be missed.

Tickets are available from \$169 and can be purchased from the Wine Enthusiast website: [www.wineenthusiastic.com](http://www.wineenthusiastic.com).

## All the Rest

Keep an eye out for our newest venture - grilling on our patio. We are hoping to have a Summer patio for light fare a la Sonoma for those hot days when it's too beautiful to be sitting inside but you still want some great picnic food. Fingers crossed for a July launch....

We have finally joined the Social Networking bandwagon and have been updating our facebook site daily with fun offers for free drinks and gossipy tidbits. Don't miss out and join our fan page!

Thanks again for your support and keep checking our facebook page for regular updates.

As always, please keep letting us know what you think about our food, wine, service and anything else that you want to tell us. We love hearing the good things, but need to hear the not-so-good things too!

See you soon at Sonoma Restaurant and Wine Bar
